OUR JOURNEY

2019

The company was founded in 2019 and although our business was forward-thinking, we struggled as the country was not yet accustomed to eLearning.

2020

We grew by 100%, servicing the eLearning demands due to Covid-19.

2021

We experienced 70% growth as we continued to come up with innovative ways to solve our customers' problems.

2022

The business grew by 50%.

SAIGA

LevelUp

NEX+ B10SCIENCES

MFW are a fantastic team. They immersed themselves into our company culture to the point at which they felt like colleagues in the same company. They were extremely professional, went beyond expectations and delivered a quality product

Juan Smith,

TSIBA Ignition Academy

I'm so glad that our paths met, if all goes well we will be working together on a lot more projects. I have been at this for 4 years and your work ethic is beyond any service provider I have tried to work with in SA.

Phaka Hlazo

Zulu Nomad

Thanks to you! I am most excited that IPM has a chance to work with a generation that is putting fresh ideas on the proverbial table so we all learn fast, fail forward, rise, re-learn and keep going. Excitement plenty ahead - lets enjoy the journey.
